***No worries about faulty weather or program cancellation due to our backup History Program listed below!**

Pioneer Rainy Day Activities,

Ever wonder what you would do before smartphones and the Xbox? Join us for an afternoon full of crafts and rainy day activities from the pioneer era. Ages 6-12

AUGUST

Island Explorers & Terrarium Building, August 4th

Scavenger hunts and tiny villages sound like the best way to spend an afternoon. Whilst learning about the typical Muskoka cottage, build your own in a tiny terrarium to take home! Ages 6-12

Muskoka Mysteries, August 11th

Do your kids love investigations and mysteries? Join us for an afternoon of detective work while solving historical Mysteries of Muskoka! Ages 6-12

Letters of the past, August 18th

Become a cottager of the past and learn how postcards were used as a method of communication in Muskoka. Make your own postcard depicting what you have been doing in Muskoka and we will mail it for you! Ages 6-12

Little Rascal Weather Experts! August 25th

Become a meteorologist and learn how to predict the weather. Discover how sundials are used and gain an understanding of seasonal changes. Create a take-home wind meter so you can forecast the weather at home! Ages 6-12
